Court Dissolves Injunction Against School Consolidation

HOME TOWN STUFF

The Wichita Falls baseball team has won the second half championship of the Texas League and next week will begin a play-off series with Dallas for the entire season pennant. The games start in Wichita Wednesday. Another will be played Thursday. Friday will be a rest day and the series will be resumed in Dallas Saturday.

This is interesting news to all baseball fans up in this section of the country. It is our one chance to see a Dixie series near home, provided the Spudders are successful in winning over Dallas. The outcome of this play-off series is very much in doubt. Dallas has some good pitchers, and it is just a question of whether the Wichita batters are better than the Dallas pitchers. So far as this column is concerned, Wichita is picked to win. There are two reasons why we believe Wichita will win. One is that Wichita is closer home than Dallas and the other is that the writer of this column carries an annual pass to the games in Wichita. A person who would accept courtesies from the owners of a baseball team and then wouldn't root for that team ought to be turned out of the Democratic party. Hence, the prediction that Wichita will win.

In the meantime, Vernon women must expect their husbands to make business trips to Wichita next Wednesday and Thursday.

Many people are speculating about how much cotton will be made in Wilbarger County this year. It is pretty generally admitted that prospects are better now than they were a year ago, but the big question is what will happen between now and the time the crop is definitely in. So far this column hasn't heard of any predictions of a shorter crop than last year, while others are guessing anywhere from 5,000 to 20,000 bales more than last year. Taking an average of these guesses would give a yield of between 45,000 and 50,000 bales, which is probably not far wrong under normal conditions for the next two months.

Our football team has begun work in earnest, playing practice games and getting in condition for the opening of the regular season's schedule. The schedule for this year places a pretty hard task on the Lions, but if we have a better team than we had last year and the coaches believe we will have a better team, we ought to have a good season. Of course, other schools may and likely will have better teams than they had last year, all except Amarillo. It is very unlikely that Amarillo will turn out another such wonderful machine as they had last year. Teams like that one happen only once in a while in cities the size of Amarillo.

A man issued a challenge yesterday to engage in a cotton picking contest with any business man in Vernon. He was looking at H. T. when he spoke and there was a feeling that perhaps he was almost personal, but this was allowed to pass. The writer of this column must keep his fingers in good condition for operating a typewriter and cotton burs never did agree with H. T.'s fingers. He tried cotton picking when he was young and couldn't select his own employment, but made only an indifferent success. Anybody who wants to engage in a cotton picking contest is welcome to the prize money and the honors that go with such a distinction.

News dispatches say that Mr. Pollard in resigning from the office of Attorney General is thinking of making the race for Governor. That would be welcome news to most West Texans, who remember the opposition of Mr. Pollard to the land legislation that was intended to keep land grabbers from filing on valuable West Texas lands. He might be elected, but it is doubtful if he would carry a single West Texas county.

PLAINTIFFS TO TAKE CASE TO HIGHER COURT

Temporary Restraining Order Rescinded After Hearing Is Completed in District Court Friday—No Plans for District Announced.

The temporary injunction restraining Wilbarger County trustees and the trustees of the proposed Wilbarger-Peard County Line Rural High School District No. 10 from further action in connection with plans for the district was dissolved by order of Judge Robert Cole in the Forty-Sixth Judicial District Court after hearings were completed before the court Friday afternoon. Notice of appeal was given by the attorneys for the plaintiff.

The order dissolved the injunction restraining the issuing of \$70,000 in bonds and taxing of the district for the proposed high school but the bonds will not be issued until a decision on the appeal is made. The appeal takes the case to the Court of Civil Appeals of the Seventh Supreme Judicial District of Texas at Amarillo. It is expected that action will be taken promptly.

The case was styled M. H. Lewis, et al. vs. H. D. Simmons, et al. Beside Mr. Lewis the plaintiffs included E. P. Streit, John Streit, Albert Streit, and Roscoe Wiseman. The trustees of Wilbarger County other than Mr. Simmons are: S. T. Porterfield, C. H. Randle, H. A. Blevins, and E. B. Gillis. Trustees of the district are: H. G. Price, Ed Lehman, T. T. Kidwell, B. P. Abston, Ethel Boman, Henry Tolan and Karl Guggisberg.

Attorneys in the case were W. N. Stokes for the defendants and Jesse Owens, Crowell, M. C. Culbertson, Vernon, and John Davenport of Wichita Falls, for the plaintiffs.

The petition on which the temporary injunction was granted several weeks ago claimed illegal action in the County Judge calling an election at the request of the trustees and without a petition of voters. It was also pointed out that the Guggisberg and Kinchloe districts should not be included as high school subjects were already being taught in the common schools.

The injunction was issued on the petition of a group of citizens of the Kinchloe and Guggisberg common school districts, charging the election for formation of the new high school district as being illegal. Haney, Parsley Hill and Antelope were the other common school districts concerned in the case.

Geneva, Switzerland, Sept. 14.—(P)—The League of Nations assembly tonight opened the door for the United States to become a member of the permanent court of international justice by adopting the protocol providing for American adherence to the court.

LACK OF DEMAND BLAMED IN WHEAT ACCUMULATION

Galveston, Sept. 14.—(P)—Almost simultaneously with the announcement that the permit system grain embargo on the port of Galveston had been liberalized, the local grain committee has declared the lack of foreign demand for American grain, and not a shortage of bottoms, was responsible for the accumulation of grain which for a time overwhelmed storage facilities here.

TWO STORES AT HARROLD ROBBED FRIDAY NIGHT

A total of about 100 pennies were taken late Friday night from two stores at Harrold, according to information received by Sheriff R. L. Rhea early this morning. A grocery store and drug store were entered by the late hour prowlers who broke a small 8 x 10 inch glass from the side door of the grocery store to enter the place and knocked out a \$30 plate glass window at the drug store to make an entrance. No arrests have been made in the case.

DISARMAMENT CONFERENCE IN VIEW IN DECEMBER

Washington, Sept. 14.—(P)—As the result of a virtual agreement between America and Great Britain upon fundamental principles of equality in cruiser strength, a general naval disarmament conference is in prospect for early December.

So successful have been negotiations with the London government, which began with the inception of the Hoover and MacDonald regimes, that such a parity, to be attended by Japan, France and Italy as well as the United States and England, is now definitely proposed.

Assuming that the conference will take place, the United States, among other important propositions, intends to ask that the present ten-year holiday in the construction of capital ships be extended from 1931 to 1936. By 1936 it is expected that the way will be open to further curtailment of battleship tonnage leading possibly to the elimination of this type of vessel as a fighting unit. The proposal presupposes the calling of another conference in 1936.

As officially outlined here, but a single difference of opinion now stands in the way of a complete Anglo-American accord upon the problem of cruiser parity. This concerns some 30,000 tons of cruiser strength and the question of whether or not the shall be embodied in three vessels carrying eight-inch guns, or the proposition favored by the British that this tonnage comprise four or five smaller vessels with six-inch guns.

IRISH FREE STATE WILL NOT PARTICIPATE IN CONFEDERATION

Geneva, Sept. 14.—(P)—The Irish Free State today tossed the first stone into the machinery being assembled for the limitation of European tariffs looking toward a European confederation of states.

ODD FELLOWS ARRIVING FOR WORLD CONVENTION

Houston, Sept. 14.—(P)—Advance delegates to the world convention of Odd Fellows and Rebekahs here throughout next week went to Galveston today for an outing. A special train carried hundreds of persons to the Island City, where the Galveston fraternal groups had arranged a fish fry and other beach diversions.

Additional delegates were arriving throughout the day on each train. Among the overnight arrivals was Judge M. M. Logan of Bowling Green, Ky., deputy grand sire. Judge Logan, member of the Kentucky supreme court, will be elevated to grand sire.

BRITISH TROOPS PACK TO EVACUATE RHINELAND

Koenigsberg, Germany, Sept. 14.—(P)—Today was packing day for British troops in this Tannus Mountain Spa, to which has fallen the happy lot of being the first Rhineland point evacuated by the British under the agreement reached at the Hague reparations conference in August.

STATE AUDITOR'S FORCE TO BE ORGANIZED SOON

Austin, Sept. 14.—(P)—Work of organizing the state auditor's department, authorized by the Legislature, will begin at once. Moore Lynn of Dallas was appointed acting auditor by Governor Moody and will institute the system immediately. The legislators made an appropriation to pay expenses of the auditor and staff. The auditor will receive \$7,500 annually. Lynn is a certified public accountant.

EXPERTS SAY BECKY ROGERS' MIND UNSOUND

Declare Attack of Pneumonia and Meningitis Probably Caused Pressure on Woman's Brain That Resulted in Mental Derangement.

New Braunfels, Texas, Sept. 14.—(P)—The first of 15 mental experts for the defense was called to the witness stand today in Mrs. Rebecca Bradley Rogers' fourth trial in connection with the robbery of the Farmers National Bank in Buda, Tex., in 1926.

Dr. W. C. Lackey of Fort Worth testified that peculiar actions of the defendant during her student days at the University of Texas and after she had robbed the bank could only be those of a person of unsound mind. Going into the defendant's life, Dr. Lackey said he believed that an attack of pneumonia and meningitis probably had caused a pressure on Mrs. Rogers' brain which had caused her to change from a normal child to one who experienced alternating moods of happiness and despair.

Turning to hereditary conditions which might affect the defendant's life, Dr. Lackey said her father was of a nervous, dejected type and that her mother was a sufferer of hysteria.

After detailing peculiar actions of Mrs. Rogers that had been told previously to the jury by non-expert witnesses, including how she often greeted friends warmly and later refused to recognize them, the physician was asked by Otis Rogers, the defendant's husband and chief of counsel, if such actions were symptoms of insanity.

"They are," the witness replied. Dr. Lackey testified a blood test had revealed Mrs. Rogers was suffering from Pellagra, a disease which he described as tending to weaken the mind.

Judge Hal S. Lattimore of Fort Worth testified he had noticed the defendant was an abnormal child during her high school days. He said he had not seen her often during her college days but had many occasions to observe her during the past nine months.

"There is a hard, glittering look in her eyes and I am of the opinion she is of unsound mind," the witness said.

BLAZE VICTIM BURIED HERE

SERVICE HELD FOR YOUNG MAN FATALLY BURNED IN FIRE AT WINK

Funeral services for George Jackson, 19, who with two other men was burned to death in a gasoline explosion in Wink last Sunday, were held in Vernon this morning at the Underwood Funeral Home at 10:30 o'clock, with Rev. J. M. Perry, pastor of the Central Christian Church, officiating.

The young man was born and reared south of Vernon in the South Vernon oil fields and lived there with his family until a few months ago when he went to Wink, where he was employed with the Public Oil Company. The body has been in Wink all week waiting the arrival of his mother, Mrs. Lily Jackson, who was unable to make the trip from Vernon to Wink on account of the impassable roads.

Besides his mother, Mr. Jackson is survived by two brothers, Frank and James, and two sisters, Dorothy Jackson and Mrs. Jennie Bates, all of whom reside in the South Vernon field.

Following the services this morning, interment was made in East View Cemetery beside the body of his father who died a little more than a year ago. Pall bearers were: F. H. Bussanmas, T. E. Davis, S. J. McClan, W. B. Moore, J. M. Barker, and J. P. Gibbins.

In public storage and at compresses, 1,387,187 bales of lint and 42,634 of linters, compared with 986,459 and 58,422 on July 31 this year, and 1,141,283 and 38,090 on August 31 last year.

Imports for August were 225,618 bales of lint and 9,908 of linters, compared with 237,596 and 9,477 in July this year and 252,627 and 6,862 in August last year.

Cotton spindles active during August numbered 30,236,880 compared with 30,395,858 in July this year and 28,217,138 in August last year.

COMMUNIST PARTY AND TEXTILE MEN TO RALLY

Charlotte, N. C., Sept. 14.—(P)—A rally of members of the Communist party and textile labor organizations this afternoon in Gastonia, which union organizers said would be held despite purported threats of self-styled "anti-Communists" to lynch the speakers, overshadowed two court hearings here, one involving alleged "anti-Communists" and the other communists and union leaders and workers.

FRATERNITIES BANNED FROM DALLAS SCHOOLS

Dallas, Sept. 14.—(P)—An order to effect outlawing Greek letter fraternities, sororities and similar organizations in the Dallas high schools, was passed by the board of education in a special meeting last night. Students, the board decided, may retain membership in the societies only on pain of being excluded from participation in interscholastic league activities, from athletic teams and from all school offices.

MRS. PANTAGES TRIAL ADJOURNS FOR WEEK END

Los Angeles, Sept. 14.—(P)—Bombardment of the state's contention that Mrs. Lois Pantages was intoxicated when her automobile crashed into the car of Juro Rokumoto last June, fatally injuring the Japanese, temporarily was stilled today by adjournment over the week-end of Mrs. Pantages' trial for second degree murder.

PIRATES HOLD SHIP AND CREW

DEMAND \$500,000 IN NOTE THREATENING DEATH OF OFFICERS

Peiping, China, Sept. 14.—(P)—The Norwegian legation here announced today the Norwegian steamer Botnia was in the hands of pirates off Haichow and her captain and chief officer were held for ransom.

The pirates seized the Botnia after she went on the bar off Haichow. They swarmed about the vessel in junks and helped themselves to its cargo, part of which was being transported from Shanghai to Tsing-Tao.

Captain Haaland and chief officer Westerheim were made prisoners and taken aboard the pirate chief's junk. He sent word demanding \$500,000 Mexican for their release. He said if the money were not forthcoming within ten days both would be killed.

TWO KILLED IN TRAIN CRASH IN MASSACHUSETTS

Andover, Mass., Sept. 14.—(P)—An engineer and fireman were killed and two other engine crews injured today when two locomotives, coupled together and running light, collided with a freight train on the Boston and Maine line at Shawheen village.

The dead engineer W. J. Kirkwood of Portland, Me., and Fireman G. F. Langville, of Wolfboro, N. H., the crew of the foremost light engine. Engineer W. G. Abbott and Fireman G. W. Cheney of the second light engine were severely injured. The crew of the freight locomotive escaped with slight injuries.

WAGGONER MAKES EFFORT TO GAIN HIS LIBERTY

Newcastle, Wyo., Sept. 14.—(P)—C. D. Waggoner, president of the closed bank of Telluride, Colo., held here in connection with an alleged fraudulent bank deal involving \$300,000 today bent his efforts toward making \$100,000 bond to obtain his release.

Unless the banker who built up a half million dollar credit in a New York bank through faked telegrams in the metropolis, makes bail he will be taken to Cheyenne to await his removal to New York.

SHUTTLE PLANE STARTS ENDURANCE MARK TRIAL

Wichita, Kan., Sept. 14.—(P)—The shuttle monoplane "City of Baltimore," took off here at 1:24 a. m. today on an endurance refueling flight scheduled to take it to Los Angeles and then across the continent to Baltimore.

George R. Hutchinson, owner-pilot, and Lieut. William L. Snowden, a G. A. Graham co-pilot, planned to refuel over Los Angeles this afternoon, and then head their ship to the east.

GREEN ONLY HOPE IN NEW ORLEANS TROLLEY TANGLE

New Orleans, Sept. 14.—(P)—Officials of New Orleans public service today were looking to William Green, president of the American Federation of Labor, to untangle the controversy over settlement of the New Orleans traction strike.

A. B. Paterson, vice president of the company, who framed a tentative agreement with Mr. Green in New York, which the strikers rejected was leaving "matter of settlement open at his request."

NEGRO DETECTIVE AT HOUSTON SHOT TO DEATH

Houston, Sept. 14.—(P)—Ed Jones, 45, veteran negro city detective, was killed last night in front of his home by a bullet fired from his own gun. A charge of murder was filed against his brother-in-law, Johnnie Wilson, who was sought today.

Sylvia Jones, the detective's common-law wife, said Wilson followed her home from his house, where she had gone for a short visit. After talking to Jones for a little while, Wilson snatched up Jones' pistol and ran from the house, the woman said. The detective followed him and was shot down.

ATTORNEY DIES AFTER AMBUSH SHOTS AT HOME

Statement Implicating Whitey Walker in Another Slaying Sought by Officers Apparently Missing From Dead Man's Office Files.

Borger, Texas, Sept. 14.—(P)—A statement alleged to have been made by Roy Harmon, just before he died of bullet wounds received in an attempted bank robbery at Wilbarger, Texas, last year was sought by officers here today in the hope that it might enable them to apprehend the slayer of John A. Holmes, District Attorney for Hutchinson County.

The statement was obtained by Sheriff Joe Ownbey and Curtis Douglas, former District Attorney of Hutchinson County. In it Harmon was alleged to have implicated William J. (Whitey) Walker in the killing of two deputy sheriffs here in 1927. Walker is now in jail at Stinnett in connection with these slayings.

Several days ago Holmes, according to several associates, took the statement from the files of his predecessor. A search today failed to reveal the document in Holmes' office, and the belief was expressed that it might have been stolen. Holmes was shot from ambush last night at his home as he emerged from the garage after putting up his automobile. He lived only a few minutes after relatives reached his side.

Neighbors, awakened by the firing of five shots, rushed to their windows in time to see the shadow of a man vanish down an alley. An investigation revealed five empty pistol cartridges and an unfired shell (Continued on page two.)

BANK ROBBERS SPIRITED AWAY

RUMORS OF MOB PROMPT OFFICERS TO MOVE LAMAR BANDITS

Denver, Sept. 14.—(P)—Chained to officers, Howard Royston, George J. Abshier, and Ralph Fleagle, confessed bandits of the Fleagle gang that held up the First National Bank of Lamar, Colo., were spirited out of Lamar last night to avoid the danger of lynching, it was learned today.

Fleagle and Royston were brought to Denver and lodged in jail here. Abshier was placed in jail at Colorado Springs.

Rumors yesterday that residents of Lamar and the surrounding territory were preparing to take the law into their own hands prompted Sheriff L. E. Alderman of Lamar to take to chances of losing the prisoners to a mob.

BIG AMMUNITION SUPPLY DESTROYED IN EXPLOSION

Portsmouth, Va., Sept. 14.—(P)—Millions of rounds of small arms and ammunition was destroyed this morning by flames enveloping the small arms storage at St. Julian's creek naval magazine near Portsmouth.

Rifle ammunition, one and three inch shells exploded in a burst of gunfire reminiscent of the old western front.

Unofficial estimates of the loss run as high as \$1,000,000.

The explosion continued for about 45 minutes before the first appeared under control. The cause has not been determined.

NEW YORKER IS SLAIN BY GANGS' GUNS IN BOSTON

Boston, Sept. 14.—(P)—Samuel Rheinstein, 29, supposed New York furrier, who police said had been hiding in this city from the vengeance of New York's gangland for the past three months, was shot and killed in the dimly lighted corridors of the Hotel Huntington today.

Social Activities To Get Into Full Swing During Coming Week

Banquet Honoring Official Group of Presbyterian and Optimist Club Ladies' Program Among Features

With the fall social season well inaugurated, a new high peak in social activity is expected to be reached the coming week, as a number of interesting entertainments are scheduled to take place. Two study clubs are to meet during the week and will inaugurate the new year's study, a luncheon will be given by the Presbyterian Women's Auxiliary honoring officers of the Wichita Falls Presbyterian, and a banquet and dance will be given by the Vernon Optimist Club, as the highlights in social activity for the coming week.

The Delphian Club will meet at the home of Mrs. Mont King Wednesday afternoon. A program on "Homely Virtues" has been planned for the meeting. Mrs. R. E. L. Pattillo will lead the program, assisted by Mrs. J. F. Carmichael and Mrs. W. W. Anderson. The Home Economics Club meets the same afternoon at the home of Mrs. Earle Norwood in the Pettit addition. A "Texas" program will be the first study of the year.

Five officers of the Wichita Falls Presbyterian, who will stop in Vernon Tuesday morning while en route to a meeting of the Wichita Falls Presbyterian in Crowell, will be guests of honor at a luncheon to be given by the local Presbyterian Auxiliary at the church. A meeting of the Auxiliary will precede the luncheon.

The Vernon Optimist Club members are planning an entertaining about 125 guests next Thursday evening at Hill Crest Country Club. Members of the Wichita Falls Optimist Club and their wives have been asked as special guests. A banquet, dancing, bridge and other games will form the entertainment for the evening.

Miss Minnie King is to be hostess to members of the Avalon Bridge Club with a party at her home on East Wilbarger Street, Tuesday afternoon at 3 o'clock. Members of the Friday Bridge Club will be entertained next Friday afternoon with a party to be given by Mrs. R. E. Martin.

Home Economics Club to Study "Texas" Wednesday

The Home Economics Club will meet Wednesday afternoon for the first study of the new club year at the home of Mrs. Earle Norwood in the Pettit addition. An interesting program on "Texas" has been planned for the first meeting to inaugurate the year's study.

The program will consist of the following numbers: "Lone Star State", Mrs. Price Denny; "The Empire We Call Texas", Miss Irene Vaughn; and "The People of Texas", Mrs. Dee Norwood. The hostess will be assisted by Mrs. Innes McCrary in entertaining.

The menu scheduled for the meeting will consist of jellied chicken, bread and butter sandwiches, potato chips, pickles, Orange Mission Dry, and caramel nut ice cream.

"American Home" Discussed From Several Angles at Home Science Club's Initial Meeting Friday

"The American Home" was the topic of discussion at the initial meeting of the Home Science Club Friday afternoon at Yamparika House in Allingham Park. Mrs. J. D. Graham, who was installed as president at the May meeting, presided. Mrs. Graham, in her address, "Looking Forward," stressed the need of cooperation in the year's task as club workers by the members. "Club work by women," she declared, "enriches daily living throughout the country."

"Home making is the most important topic in the world today," she stated. Mrs. J. R. Huie read a paper on the comparison of the early American home and the modern home. The handling of the topic showed just how much comfort and luxuries are enjoyed by the women of today through labor saving devices and well constructed homes.

Mrs. W. W. Anderson ably presented the subject, "Home Making versus House Keeping." Statistics prove, the speaker stated, that 85 per cent of crime is committed by youths from 18 to 25 years of age, caused, it is stated, by wrong environment in the home. "Adjustment of life's problems are made in the home," Mrs. Anderson declared.

Mrs. Will I. Stephens, parliamentarian, read an article written by Mrs. Bob Parker, state parliamentarian, on "How to Kill a Club." Mrs. Eunice Wilson was leader and hostess for the afternoon, and roll call was responded to by quotations about home.

Miss Mina Beth Seelbach, of Denton, house guest of her sister, Mrs. M. G. Poteet, was a visitor. New members introduced were Mrs. W. D. Curtis, Mrs. Tom Bell, Mrs. L. F. Winn and Mrs. A. M. Bourland.

Assistant hostesses, Mrs. W. W. Jones, Mrs. Lela Albright, Mrs. E. C. Hitchcock, Mrs. J. E. Collins, Mrs. Hub Colley, and Mrs. R. H. Coffee served a delicious two-course plate lunch. The following were present: Mrs. Lela Albright, Mrs. W. W. Anderson, Mrs. Tom Bell, Mrs. A. M. Bourland, Mrs. R. L. Castlebury, Mrs. Hub Colley, Mrs. J. E. Collins, Mrs. M. C. Culbertson, Mrs. W. D. Curtis, Mrs. J. A. Dixon, Mrs. Frank Edmondson, Mrs. B. D. Flanken, Mrs. J. D. Graham, Mrs. W. M. Hall, Mrs. W. M. Hazard, Mrs. E. C. Hitchcock, Mrs. Walter Hofmann, Mrs. J. R. Huie, Mrs. W. W. Jones, Mrs. Mont King, Mrs. W. R. Lane, Mrs. W. T. Lofland, Mrs. J. E. Lutz, Mrs. Harry Mason, Mrs. L. E. McCurdy, Mrs. H. W. Norwood, Mrs. E. H. Pigg, Mrs. M. G. Poteet, Mrs. Bertha A. Ross, Mrs. J. L. Showers, Mrs. Will I. Stephens, Mrs. Eunice Wilson, Mrs. L. F. Winn, and Miss Mina Beth Seelbach.

Wilton Doris Pybus Is Honored on Ninth Birthday

Mr. and Mrs. W. W. Pybus honored their son, Wilton Doris, on his ninth birthday with a delightful surprise party at their home, 2819 Madison Street, Friday evening. Games were the diversions of the evening. Refreshments served carried out a color scheme of pink and green.

The guests were: Imogene and Yvonne Harris, Viola and Jessie Mae Thrash, Katherine Vaughn, Gladys Lacy, Yvonne Lawrence, Burnice Vaughn, Clyde Lacy, E. B. Lawrence, the honoree, Wilton Doris Pybus, and the host and hostess, Mr. and Mrs. Pybus.

Five Officers to Presbyterian To Be Banqueted

Five officers of the Wichita Falls Presbyterian who will arrive in Vernon Tuesday morning to meet with the local Presbyterian Auxiliary, will be guests of honor at a luncheon to be given by the local women's auxiliary at the Presbyterian Church Tuesday at noon. The group of officers will stop here while en route to Crowell to attend the meeting of the Wichita Falls Presbyterian Wednesday.

Mrs. Howard Reger, of Vernon, who is secretary of literature and missionary education in the Presbyterian, will join the other officers here to attend the Crowell meeting. The group will also visit with the Chillicothe Presbyterian Auxiliary while en route to the meeting, Tuesday afternoon.

The officers who are expected here for the meeting and luncheon are: Mrs. W. B. Jarrell, Wichita Falls, president of the Wichita Falls Presbyterian; Mrs. A. P. Woodall, Wichita Falls, secretary of Senior Endeavor work; Mrs. R. T. Willis, Wichita Falls, secretary of children's work; and Mrs. J. A. King, Electra, secretary of young people's Christian Endeavor.

The purpose of the meeting with the local auxiliary is to create enthusiasm among the members, and to discuss various phases of the Presbyterian work. Young people's work in the church will probably be of major interest in the discussions, as three of the officers are secretaries in that work.

Mrs. E. G. Mathewson is chairman of the local committee planning the luncheon entertainment. She will be assisted by Mrs. N. R. Heath, Mrs. A. P. McCelvey, and Mrs. Howard Reger.

MRS. FIELDER TO ENTERTAIN HONORING SON TODAY

Mrs. R. M. Fielder is entertaining a number of little guests this afternoon with a birthday party in honor of her son, Bobby, on his fourth birthday. The entertainment is scheduled to begin at 4 o'clock at Allingham Park.

Delphian Club Program for Coming Season Outlined and It Will Be Inaugurated at Meeting Wednesday

Programs for the new club year, 1929-30, to be given in quest of "the good, the true, and the beautiful," were announced in the publication of the new Delphian Club year book.

A quotation from Mendelssohn, "Love the beautiful, seek out the true, wish for the good, and the best do," was chosen as the club motto for the year. The year's study will be inaugurated at the first meeting of the club next Wednesday afternoon at the home of Mrs. Mont King, when a program will be given on "Homely Virtues" under the leadership of Mrs. R. E. L. Pattillo.

A variety of miscellaneous programs were planned by the yearbook and program committee composed of Mrs. W. W. Anderson, Mrs. W. W. Bennett, Mrs. Walter Hofmann, Mrs. M. C. Culbertson, and Mrs. R. E. L. Pattillo, and will be given during the year on the first and third Wednesdays of each month.

Such topics as "Texas Literature," "Peace," "The Bible," "Citizenship," and many others were chosen as the basis of the programs. Of special interest in the year's program will be an open meeting and reception on November 6, at which Mrs. E. B. Lawson, of Oklahoma, a descendant of an Indian princess, will be guest of honor and will present an Indian program. She is to be brought here under the auspices of Mrs. G. E. Slaugenhop, who will be leader of the meeting.

Another program of much interest will be on December 18, when the "Six Marys of the Bible" will be discussed. Miss Minnie King will be hostess at the meeting and Mrs. W. W. Bennett, leader. A Federation day and a Texas day will be observed by the club with programs during the year, and various other special features have been outlined for study such as a negro program, and original program, and a program on sacred music.

The hostess scheduled for the meetings will include: Mrs. Mont King, Mrs. M. L. Burch, Mrs. E. A. Vernon, Mrs. J. E. Lutz, Mrs. J. A. Birdsong, Miss Minnie King, Mrs. Howard Reger, Mrs. J. B. Martin, Mrs. J. F. Carmichael, Mrs. B. D. Flanken, Mrs. B. A. Williams, Mrs. M. G. Neibery, Mrs. Claude Bennett, Mrs. W. W. Anderson and Mrs. W. R. Murrell.

Mrs. R. M. Fielder is to head the club this year as president and she will be assisted by an efficient corps of officers who were elected last spring at the annual business meeting of the club. These are as follows: Mrs. Harry Mason, vice president; Mrs. W. I. Stephens, secretary-treasurer; Mrs. R. E. L. Pattillo, parliamentarian; Mrs. J. E. Lutz, club counselor.

Drive America's finest medium-priced automobile

and learn what a difference there is

Nowhere is the impressive superiority of today's Oakland All-American Six more clearly revealed than in its remarkable performance.

Oakland's engine has, among other features, the large piston displacement necessary in developing high power at the moderate engine speed essential to long life—the Harmonic Balancer to neutralize torsional vibration in the crankshaft—rubber "biscuit" mountings to insulate it from the frame and make it incomparably smooth and free from vibration.

Drive this car—and learn what a difference these features make. We will prove to your complete satisfaction that today's Oakland is America's finest medium-priced automobile.

Why Oakland is unrivaled in performance at its price

The following facts were obtained from a comparison of the Oakland All-American Six with 20 other medium-priced automobiles. All told, 878 individual comparisons were made. Of these, Oakland proved to be distinctly superior in 451 or 51.37 per cent. The 40 cars combined were at best equal to Oakland on 382 or 43.50 per cent. And 13 of the 20 were higher-priced than Oakland!

PISTON DISPLACEMENT
Oakland's 228-cubic-inch piston displacement is greater than 17 of the 20 cars in its price field. Of the 8 remaining cars, 7 are much higher-priced than Oakland.

G-M-R CYLINDER HEAD
Only Oakland and one other car in the field use the G-M-R cylinder head. Sixteen have no type of non-detonating cylinder head whatsoever, although 11 of the 16 are more expensive to buy than Oakland.

CRANKCASE VENTILATION
While most cars in the field have crankcase ventilation, only Oakland and one other, according to available information, have any method for cleaning the air. Six of the six are higher-priced than Oakland.

RUBBER ENGINE MOUNTING
Only Oakland in the entire field employs rubber "biscuit" insulators. While others claim rubber mountings, none offers such rubber mountings as Oakland.

HARMONIC BALANCER
Only Oakland and one other car in the field have the Harmonic Balancer. Of 13 cars using some other device, 11 are higher-priced than Oakland. Oakland's crankshaft is fully counterweighted. The crankshafts in nine higher-priced cars are not counterweighted at all.

Consider the delivered price as well as the list (f.o.b.) price when comparing automobile values. . . . Oakland's delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

Organization of New Clubs Among Women and Reorganization of Old Groups Effected During This Week

New organizations and re-organizations of women's clubs of Vernon were of unusual interest here this week, as the fall social season got in full swing. Among the clubs re-organized during the week following the summer disbandment were the Home Science Club and Social Arts Club, while the newly organized clubs included a business women's study club, the Vernon Alpha Gamma Chapter of the National What-to-Read Club, and a Kindergarten Pre-school Circle.

The Social Arts Club met on Wednesday afternoon at the home of Mrs. R. S. Amiot on Paradise Street. The first study of the year on Hamilton Gibb's novel "Harnessed" was discussed by Mrs. Harold Shive and Mrs. A. E. Stuard during the afternoon. Assistant hostesses were Mrs. L. L. Lively and Mrs. Aubrey Lockett. A program on the "American Home" was given at the meeting of the Home Science Club Friday afternoon at the Yamparka Club House. Mrs. Eunice Wilson was leader and hostess of the afternoon.

The Vernon Alpha Gamma chapter of the National What-to-Read Club studied "Women Waiters" at a meeting of a group of business women at Yamparka Club House Friday night, and the Kindergarten circle was organized at a meeting Friday morning.

Mrs. E. L. McCarter was elected to head the latter organization as president. At the first of the week a number of interesting entertainments were given. The open house entertainment given by Rev. and Mrs. J. O. Haynes at the Methodist district parsonage on Monday afternoon attracted about 150 guests from Vernon, Quanah, and Chillicothe, Wesley Chapel, and Margaret, and proved a most delightful affair. The executive committee of the Senior Christian Endeavor of the Central Christian Church entertained Monday evening with a banquet in the basement of the church.

New officers were elected at a meeting of the American Legion Auxiliary at the Legion Home, also on Monday night, while that afternoon the Baptist Women's Missionary Society and the Presbyterian Women's Auxiliary met in circle meetings at the different homes.

Mrs. J. D. Summerour was a delightful hostess of the week when she entertained members of the Tuesday 42 Club and other guests with a lovely party at her home on Texas Street Tuesday afternoon. Five tables of guests played games of 42 throughout the afternoon. Mr. and Mrs. S. A. White entertained members of the Tuesday Night Bridge Club with a party at their home on Pease Street Tuesday night, and that afternoon members of the Convention Bible Class of the First Baptist Church met in a business and social meeting at the church and Mrs. John Krebs entertained a number of little guests with a birthday party in honor of her daughter, Katherine, on her eleventh birthday, at her home on West Paradise Street.

Miss Wilma Dunworth, who left today for Enid, Okla., where she will enter nurses' training at the Enid General Hospital, was honored at a party given by the Senior Christian Endeavor Society of the Central Christian Church in the church parlors Thursday evening. Officers for the ensuing year were elected at the business and social meeting of the T. E. L. Class of the First Baptist Church Thursday afternoon at the church.

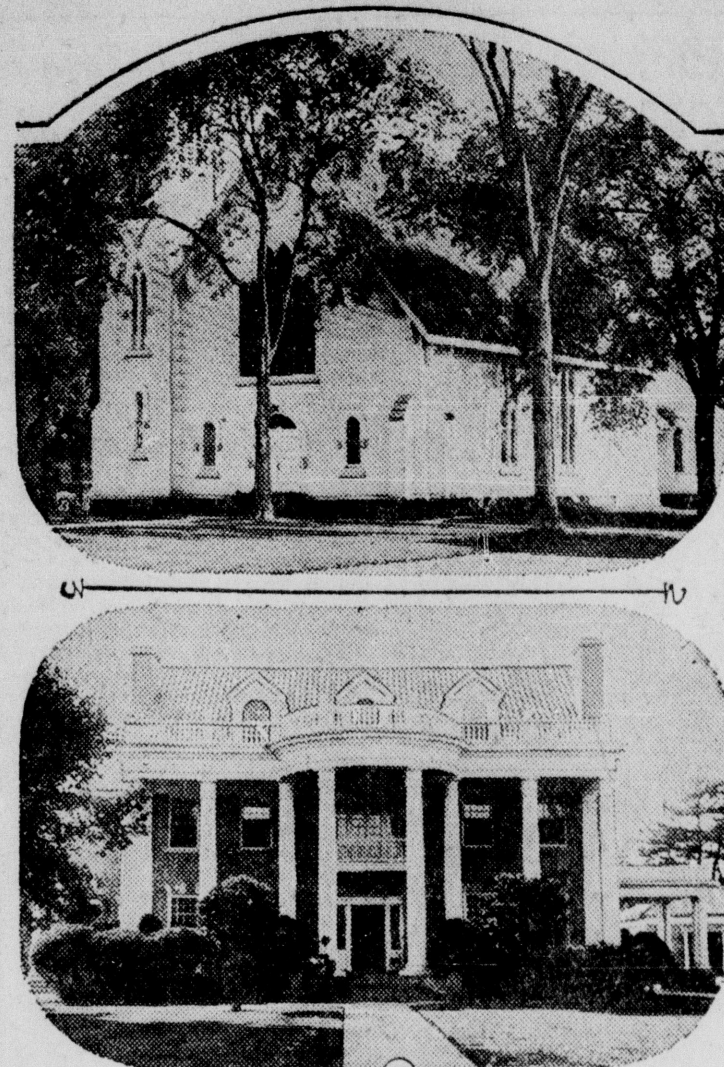

Mrs. J. V. Owen was elected as president of the class. Miss Louise Lowe entertained members of the Needle Craft Club with a party Wednesday afternoon, and Mildred King entertained members of her Baptist Sunday school class with a party on the church lawn Tuesday afternoon.

On Friday, Mr. and Mrs. Frank Hood entertained members of the Wednesday Night Bridge Club with a party honoring Mrs. Gladner Young of Cheyenne, Okla., and Mr. and Mrs. W. W. Pybus entertained honoring her son, Wilton Doris, on his ninth birthday.

Where John Coolidge Will Wed

Above is the Congregational church in Plainville, Conn., where on Sept. 23 wedding bells will ring for Miss Florence Trumbull, daughter of Governor John N. Trumbull of Connecticut, and John Coolidge, son of ex-President Calvin Coolidge. Below is the colonial style mansion of Governor Trumbull where the wedding reception will be held following the ceremony.

Circle Organized for Kindergarten Patrons Friday

A pre-school circle, composed of patrons of the new kindergarten opened this week in Vernon at Hawkins School, was organized at a meeting at the school Friday morning. Mrs. E. L. McCarter was elected president of the organization, Mrs. John Lutz, vice president, and Mrs. K. C. Gray, secretary-treasurer. Each patron of the kindergarten class automatically becomes a member of the circle when she enters her child in the kindergarten, and since 21 children were enrolled in the class this week, there were 21 members listed in the circle at the organization.

Miss Fern Williams, of Gardner, Kans., is director of the kindergarten. She attended school at Chicago University and has had eight years experience in the kindergarten work. The room in Hawkins School, which is being used for the classes, will be fully equipped in the near future by the newly organized circle.

Besides the organization and election of officers at the meeting, Friday morning, various committees were

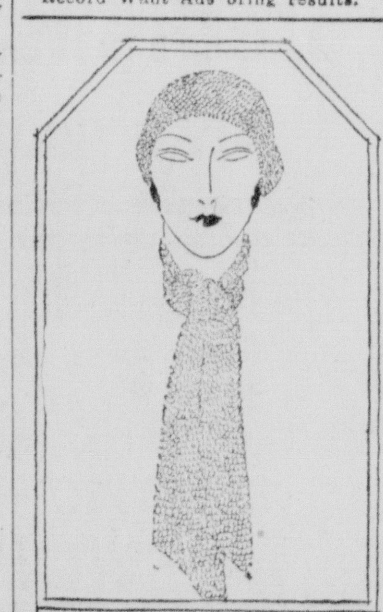

appointed by the new president. The next meeting of the circle will be held Monday morning at 8:45 o'clock at the school.

The membership of the circle includes the following: Mrs. B. F. Love, Mrs. P. D. Ghaney, Mrs. E. L. McCarter, Mrs. John Lutz, Mrs. K. C. Gray, Mrs. H. R. Kuhn, Mrs. Leo N. Scull, Mrs. T. T. Webb, Mrs. E. Harris, Mrs. Robert Lutz, Mrs. A. D. Anderson, Mrs. H. B. Alexander, Mrs. G. H. Wilson Jr., Mrs. Roy W. Abbott, Mrs. Defee Cook, Mrs. D. D. Darwin, Mrs. Evelyn Cole, Mrs. J. N. Wright, Mrs. Oscar Holman, Mrs. Dick Crabtree, and Mrs. LeBaume Elliott.

New Officers to Entertain Legion and Auxiliary Monday

The incoming officers of the American Legion and Auxiliary will entertain the Post and unit at a social meeting Monday night at the American Legion Home. It was announced here today. The initiation of the unit officers will be a feature of the evening. All members of the organization are invited to attend.

Presbyterian Choirs of Youth to Rehearse Here This Week

The Choirs of Youth of the Presbyterian Church will resume rehearsals next week. It was announced today by Mrs. W. T. Elliott, director. The Junior boys will rehearse Tuesday afternoon at 4:15, the primary choir at 4:15 o'clock Wednesday afternoon; and the junior girls choir at 4:15 o'clock Thursday afternoon. All members of the choir are urged to be present at the rehearsals, and new members are invited to join.

Elaborate Plans Being Made for Entertainment at Optimist Club Ladies Night Thursday Evening

A "Ladies Night" entertainment will be given by the Vernon Optimist Club next Thursday night at Hill Crest Country Club, according to an announcement made today by J. B. Lawson, chairman of the entertainment committee of the club. Other members of the committee planning the affair are: Paul Johnston and S. E. Smith.

Plans are being made to entertain about 120 guests, and invitations are

being issued to all members of the club and their wives and special guests from the Wichita Falls Optimist Club.

A banquet will be served at 7:30 o'clock that evening, at which time a program will be given. Following the banquet, dancing, bridge, and other games will be the entertainment diversions for the remainder of the evening.

The regular noon luncheon of the club will not be held next week as the night entertainment will serve as the club's weekly meeting.

SPUDDERS CHAMPIONS OF SECOND HALF OF SEASON

PLAY-OFF TO OPEN WEDNESDAY WITH STEERS RAIDING WICHITA FALLS FOR INITIAL CONTEST

(Associated Press)

It is possible today to proclaim Wichita Falls champion of the second half of the Texas League race without inserting a single "if." The Gallowaymen galloped in under wraps by trimming Beaumont, 8 to 1, yesterday while Shreveport their most obstinate pursuer, was stopped by rain.

Three full games out front, the north countrymen could drop both their remaining contests with the shippers and finish on top. As two of their number, Bennett and Lapan, are in the thick of a four-cornered fight for league batting honors, however, the Exporters may expect no mercy today and tomorrow.

Interest now centers upon the play-off, to open Wednesday at Wichita Falls. The Dallas Steers, first half champions, have been idling for several days, saving their steam for the vital five-game series, the winner of which will meet Birmingham, Southern Association titlist, in the Dixie series.

With Andy Messenger's submarine ball cutting capers, the Exporters offered the Spuds but little opposition in yesterday's decisive fray. Messenger gave up only five hits and whiffed six. His mates fell upon Riviere with gusto, 13 hits accruing to their bats. Bennett helped his cause in the hot batting race with three singles in four tries.

SPORT CHAMPIONS HIT THE SKIDS; CHALLENGERS STAGE COLOSSAL COUP

Stopping the champs, the challengers' battle cry, produced staggering losses among the sports monarchs this year. The under-dogs are rich with trophies, having bagged the crowns of Bobby Jones, the Yankees, Johnny Farrell, Dazzy Vance, the California crew and others.

Kings of Athletic World Finding It Difficult to Maintain Domain Against Onslaughts This Season

New York, Sept. 11.—(P)—The boys usually wait until around the Christmas holidays to hang out a resume about the awful toll among the champions in the preceding 12 months.

But the mighty fell so early and so hard this season that a premature resume perhaps will be pardoned. So many have fallen that about the only major sports champions who still have to walk the tight wire are Glenna Collett, queen of women golfers, and a few synthetic boxing barons.

Starting with the collapse of the New York Rangers, kings of 1928 hockey, the champion-breaking plague reached greatest momentum during the summer when it wiped out such 1928 greats as the Yankees, the California crew and Johnny Farrell. And then the mighty Bobby Jones was toppled.

These were the major casualties, but among the tangled, title strewn wreckage, are found Strangler Lewis, heavyweight wrestling czar; Reigh Count, 1928 Kentucky Derby winner; Joe Dundee, welterweight champion; Dazzy Vance, strike out wizard and premier 1928 pitcher, and Goose Goslin, American league batting champion last year.

Most of the big shots cracked so quickly that the finish wasn't even close. The Rangers never seriously threatened in the hockey race.

California, behind from the start at Poughkeepsie, sank with a mile to go. The Yankees were stopped almost before they got started.

Johnny Farrell scarcely had time to warm up at Winged Foot before his national open crown flitted away. Goose Goslin never was a threat in the American League batting race. And Bobby Jones! The type "covering" his first round downfall in the national amateur is still hot. What a year for champions! The challengers simply turned things upside down. That's all. And that's plenty.

The cost of Whitney rivals sent 10 colts and fillies to the barrier to match strides with the Whitney duo, generally regarded as the finest of American juveniles.

Sophomore Trio To Be Assigned Pony Back Places

Dallas, Sept. 14.—(P)—Unless those who profess familiarity with the astute Ray Morrison's plans merely think they are, the Southern Methodist University backfield this season will comprise one of the boldest experiments in Southwest Conference history.

The Ponies' ground-gaining department, they say, will be composed of three sophomore flyers and a husky junior. Further, the same observers say, Coach Morrison plans to make the conference sick of his sophomores for the next three seasons.

It is seldom that one first-year man can break into a conference team's backfield as a regular. For three to have the inside track probably is unprecedented.

Members of the backfield thus nominated are Bob Gilbert, quarterback; Bruce Kattman and Weldon Mason, halfbacks; Ira Hopper, fullback. Hopper was the regular Mustang fullback last year. The other three have limited their activities to high school and freshman football, at which each was an outstanding performer.

HUNTER MEETS TILDEN AGAIN

YOUTH TURNED BACK BY VETERANS OF TENNIS CHAMPIONSHIPS

Forest Hills, N. Y., Sept. 14.—(P)—Young America has stormed the tennis heights commanded by a pair of aging veterans and failed.

The battle between Big Bill Tilden and Francis T. Hunter on the one hand and the rising tennis generation on the other is over now that these great old campaigners, 36 and 35 years old, respectively, have forged into the finals of the national singles championship. The title match is this afternoon.

There remains only a perfunctory championship match with Tilden overwhelmingly favored to win as the records show he has always been able to subdue his old doubles partner.

The hardest battle either was forced to wage was won by Tilden yesterday when he overcame a lead of two sets to one to master the Californian, John Doe, 4-6, 6-2, 2-6, 6-4, 6-3.

Hunter defeated Fritz Marcur, 6-4, 6-8, 6-4, 6-3, in the other semi-final yesterday.

CROWELL OPENS GRID SEASON BY DEFEATING QUANAH

COACH GRAVES' CLASS B CLUB RECORDS SIX FIRST DOWNS TO FOUR MADE BY CLASS A TEAM

Crowell, Sept. 14.—The Crowell High School Wildcats pried off the 1929 gridiron lid in this section of the state Friday afternoon by taking the Quanah High School Indians into camp, 13 to 7. With a total squad of 15 men Coach Graves of Crowell with a class B team was doped to lose his opener to Jim Bradford's class A Indians, who came to town with 33 men.

Coach Graves' Wildcats led by Spears and Guy Todd plunged the first and second string line of the Indians for numerous gains, completed several passes, intercepted several heaves to keep the Indians shut out until the last quarter. Coach Bradford sent his second string against the Wildcats to open the game and the locals scored in the first few minutes of play when Womack recovered a Quanah fumble on their own three yard line and on the next play Captain Lanier carried the ball across for the first touchdown of the game. A pass, Lanier to Todd, netted an extra point. In the same quarter Crowell again crossed the goal line but was called back on account of being offside and the ball was lost to Quanah on downs on the next play. The quarter ended with the ball in Quanah's possession on their own seven yard line.

Crowell scored again in the second quarter when G. Todd went through the line for ten yards and a touchdown. The extra point failed. Crowell came within one foot of another touchdown and on the next play was penalized for taking extra time and Quanah gained possession of the ball. The half ended with the ball in Quanah's possession on their own 43 yard line.

Quanah's only score came in the last quarter when a Crowell punt was blocked and recovered behind the goal line by Norman. Garner went through the line for the extra point. Quanah failed to even threaten to score at any other time of the game. The game ended with the ball in mid-field in Crowell's possession.

Recie Womack, right tackle for Crowell, exhibited unusual ability during the game along with Todd and Patton, left tackle and right guard, respectively for Crowell. Crowell's

backfield played unusually well with every man starring. Captain Lanier, halfback, was taken from the game in the first quarter with an injured knee. A new backfield star was discovered in Ganna who shifted from end to Lanier's position. Ganna played a perfect game as a safety also.

The Indians have been practicing since Wednesday and have yet to master their signals in a working way. The Quanah squad was unable to get an early start and showed the effects only too plainly. Coach Bradford takes his Indians to Childress this afternoon for his second contest of the season and is due for another hard game before his squad has hardly had time to become accustomed to the feel of the pigskin.

Among the Quanah Indians who showed a decided inclination to collect scalps yesterday were "Pug" Norman at left end on the first team. Harold, left tackle on the first team and Garner a fighting plunging quarterback of the same team.

Quanah used around thirty men during the game. Crowell made six first downs to four for Quanah. Crowell tried eight passes, completed two, and had one intercepted. Quanah tried fifteen, completing five and had one intercepted. Crowell was penalized 55 yards during the game while Quanah was penalized ten yards.

The starting line-up:

CROWELL	QUANAH
Ganna	Carter
Patton	Left End Jarrell
Burrow	Left Tackle J. Bolton
Oswalt	Left Guard Moseley
J. Todd	Center C. Bolton
Womack	Right Guard Turner
Bell	Right Tackle Willis
G. Todd	Right End Gulp
Lanier	Quarterback Faircloth
Ashford	Left Halfback Roberts
Spears	Fullback Jones
	Right Halfback

Substitutions: Crowell—Ganna for Lanier; Cooper for Ganna; Roberts for Burrow; Horn for Roberts; Lanier for Ashford; Oswalt for Lanier; Cogdell for Oswalt.

Quanah ran in a new team soon after the game started consisting of: Horn, left end; Harrell, left tackle; Mahoney, left guard; Hollis, center; O'Hare, right guard; Ennis, captain, right guard; Norman, right end; Garner, quarterback; Lobell, left half; Page, captain, fullback; Rogers, right half.

Pair Of "Kid" Golfers Outshoot Old Stars

JOHNNY GOODMAN
WALTER KOZAK with his BRIDE

Youth's uprising on the links has brought defeat to some high-powered golfers of late. The week Goodman beat Bobby Jones, Kozak defeated Gene Sarazen and Joe Turnesa to win the metropolitan pro title. Kozak's bride was the first to congratulate him after his victory over Turnesa in the finals.

Vernon Golfers to Take Part in Quanah Tourney

Vernon will probably be represented at the first annual invitation golf tournament of the Quanah Country Club which starts at 8:30 o'clock Monday morning. Some Vernon men plan to go to Quanah tomorrow for the initial qualifying rounds.

Six Vernon golfers who have announced plans to go are: W. W. Anderson, Sr., W. W. Anderson, Jr., W. Henry Rogers, W. K. Long, E. C. Christian, and R. B. Gibson. Daniel Bond may also go with the Vernon delegation.

The Quanah club course is reported to be in perfect condition and an elaborate entertainment program is to be followed under the direction of Mrs. N. W. Walton, entertainment chairman. Early this year the Quanah

club enlarged their nine-hole course to 18 holes with Bill Strachan, of Wichita Falls in charge. Mr. Strachan will act as starter and general official in the initial invitation tournament.

VERNON ALL STARS TO PLAY PHILLIPS SUNDAY

The Vernon all-star baseball team will meet the Phillips Petroleum Company's nine Sunday afternoon at 3:30 o'clock at the Box School diamond. It was announced this morning. The Vernon squad will be composed of the following: Rainwater, shortstop; Robert Williams, third; Carney, second; Burns, catcher; Burgess, first; Perkins, center field; Bridges, right field; and Bourland, pitcher. Relief men are Dalmaso and Bert Williams.

Townsend will do the hurling for the Phillips team and S. Teann will receive. Other members of the line up were not announced.

Two Lion Teams in Practice Game Friday Afternoon

The Maroon team of the Vernon high school football squad blocked a punt in the second quarter of yesterday afternoon's scrimmage game to place a one touchdown victory on record over the Gray eleven. Parker at the left end position blocked the kick and Thompson at right end fell on the ball on the goal line for the counter.

Coach W. C. Weir put 23 Lion candidates through their paces during the 40 minute practice game and alternated several men at different positions. Rodman, Nixon, Baird and Neas did not get into the play due to minor bruises, which the coaches wished to give more time to heal. They will see service with the rest of the squad in Tuesday's scrimmage. The first downs for the Maroon and Gray teams were about even and the strength of the two teams is relatively the same, Coach Weir said today.

Line ups:	Position	GRAY
Sam Parker	Left End	Marra
Anderson	Left Tackle	Emmerick
Vernon	Left Guard	Thomas
Ray Parker	Center	Coleman
Price	Right Guard	Wall
Pascal	Right Tackle	Dolan
Thompson	Right End	Bowden
Lutz	Quarter	Crawford
Christian	Left Half	Williams
Lawrence	Right Half	Watson
Manis	Full	Smith

Substitutions: Maroon—Cox at guard, Judd and Marra at end, Gray—Kanauth and Pennington at guard, Calwell at tackle.

Wanted. Position in home as housekeeper or taking care of children. References. Phone 886. 271-3tp

MACKMEN NEAR PENNANT CINCH

TITLE PROBABLY WILL BE WRAPPED UP TODAY BY ATHLETICS

(By The Associated Press)

The gaunt form of Cornelius McGillicuddy, familiar figure in baseball wars for forty years and more, stands ready again to lead a triumphant force in search of world series gold.

A victory over the White Sox 5 to 2 at Shibe Park yesterday, as the Yankees lay idle in rain, brought the house of Mack to within two games of certain victory. Truce is in prospect by nightfall. Another Athletic triumph over Chicago today, and the loss of either game by the Yankees would end it. A reverse for the Macks probably would deprive them of the satisfaction of clinching their own flag, as the Yanks doubtless would do.

it for them in one of the games against Cleveland Sunday.

The ex-champions are no great hands at winning double-headers, but neither are they so prone to lose two in one day. The most logical expectation of the Huggmen over the weekend is an even division of their two bargain bills.

The Yankees darkened their stadium on a technical charge of rain, building up a double-header for today, and the Senators nosed out the Indians 4 to 3. The Red Sox and the Tigers had an open date. The reverse in Washington left the ambitious Indians only one and one-half games ahead of the equally ambitious Browns in the scramble for third money.

The clinching of the National League pennant by the Cubs was postponed yesterday when the rejuvenated Phillies weathered a ninth-inning assault to win 7 to 6, and the second-place duel of the Pirates and the Giants was halted by rain at Forbes Field.

The Phils remained within half a game of the fifth-place Robins, who defeated Cincinnati 4 to 2.

St. Louis assaulted the Braves for two victories, 3 to 2, and 5 to 3.

COOPERATIVE MEDICAL SERVICE

American hospitals, on the whole, are very creditably built and managed. They reflect the great advances made in medical science, and as a general thing deserve no criticism whatever.

However, Dr. Joseph Collins, writing in the current Harper's Magazine, very potently argues that there is one very large section of the population to whom the present method of conducting hospitals must seem very faulty. The rich man, the writer points out, is, naturally, perfectly satisfied. Money means little to him, and he can afford to pay whatever price the hospital chooses to charge him providing he gets the service in return.

Similarly, the poor man can almost always get good hospital care at a price far below its cost, what with the endowment funds, public hospitals and charitable funds that are available.

But it is the man in average circumstances to whom hospital practices do not appeal.

He is not poor enough to get his accommodation for nothing, and he is not rich enough to pay the regular fees which the hospital must charge. He is, so to speak, caught between two fires—and as a result too often he goes without hospital treatment that he really needs.

The fault Dr. Collins points out, does not lie with the people who run the hospitals. As a rule operators of hospitals are not in position, financially, to extend services below cost. The writer sees greater endowments as the only solution. The philanthropist who really wants to serve his fellows could do nothing better than endow a hospital so that the ordinary salaried man or wage earner could get the best of care at a price he could afford to pay.

This is true enough, but in the meantime the man of moderate means needs hospital services whether the philanthropist endows hospital or not, and the surest way for him to get it is to effect it himself. In some communities the plan which has been used at universities for a number of years is to be given a trial. It has much to commend it to the people. All residents of the community pay a nominal medical fee and in return are entitled to the competent medical and hospital services the combined fees will employ.

In this same way no one pays out a great deal of money, and all are entitled to the same competent medical service. Of course it is argued that there are some who do not need medical care. However, there are few people, indeed, who should not be examined periodically. The best way to preserve health is to guard it carefully. Medical examinations would be worth the nominal fees paid by the ultra healthy and in case of sickness or accident they would reap the real benefits of the plan. This is merely the cooperative in another form.

DELAYS IN COURT

A trial now in progress in Texas graphically reflects some of the anomalous aspects of delays in court procedure and the effects they have on the functioning of the system of justice.

The case is based on the robbery of a bank with firearms in 1926 more than three years ago. To the layman there seems no reason for a delay of more than three weeks between the time of a crime and the trial, when the suspect is arrested almost immediately after the crime, as in this case, but the trial is in progress now three years after commission of the crime, and the case is typical of the delay that may be effected in court procedure in Texas. Of course, in this case there has been a previous trial, but the verdict was reversed because of some technicality.

The marked effect that delay has upon the functioning of the system of justice may be observed in the fact that a number of witnesses who testified for the state at the former trial this time are supporting the defense's plea of temporary insanity. The prosecuting attorney has point-

ed out to the court that these same witnesses failed to mention their belief that the defendant was insane at the time of the previous trial, but their evidence this time is unequivocal. In the words of one, "there is no question," the defendant is insane. It should be borne in mind that the question the jury is called upon to determine, and that which the witnesses are supposed to help clarify, is whether the defendant was insane at the time of commission of the offense against the law. It seems only reasonable that witnesses would have been better qualified to pass on the sanity of an individual within a year after the time in question than they are now, some three years after that time. Yet these witnesses who before supported the state in its effort to convict the defendant now have recalled that the defendant was insane beyond a doubt, and are supporting the defense.

Without attempting to analyze the present case, it may be pointed out that delay makes for situations of this sort. Witnesses forget the more serious aspects of a crime, and sympathy is aroused for the defendants. It's an easy matter for one to reason, "Oh, well, the thing is done now, punishment will not change it. I may as well help the defendant all that I can."

Witnesses are more certain to have a clearer memory of the events involved with a few weeks after it. The crime is still fresh in their minds, and all details, both those that may be in the defendant's favor, and those that are not more firmly fixed in the mind. Delay erases facts and permits memory to weave a bit of romance and imagination about the framework of the original structure. It is only reasonable to believe that justice can best be served by speedy trials.

However, this argument has been advanced almost countless times before. Nothing has been done about it. We have seen other trials that exemplified the anomalous situation, but have taken no steps to correct it. Conditions will not be changed until the people rise up and demand it. Evidently the time when the citizenship of Texas will make such a demand is not near at hand.

Orgatone Proves to Abilene Carpentent That It Is Totally Different From Other Medicines.

"I saw so many Abilene people were taking Orgatone with good results, and in as much as I have tried the medicine I cannot explain to you what it has been worth to me. Its worth cannot be measured in dollars and cents," says C. B. Summers, 642 Simmons Ave., Abilene, Texas.

"It has rid me of indigestion and constipation that caused me to have such cramps and dizzy spells I felt like I would faint. Instead of food feeling like knots in my stomach, it now digests thorough, and I don't have any more restless nights, but sleep like a top and feel fine in every way. I am glad to tell others what this new medicine will do for a person, for Orgatone is different from other medicines and is in a class by itself."

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific bill treatment and is sold in Vernon by the Vernon Drug Store.

EDISON WINNER IS EAGER TO TRY LUCK AT COLLEGE

When Wilbur Huston won the national contest sponsored by Thomas A. Edison he acquired a scholarship to the Massachusetts Institute of Technology, which he is eager to attend this fall. Wilbur is shown with Mr. Edison and in portrait. His father and mother are on the right.

Youth Who Is to Follow in Shoes of Inventor Is Tired of Meeting Public in Role of Popular Idol

Seattle, Sept. 13.—(P)—Dedicated to science and progress by the Edison award, Wilbur B. Huston is eager to begin his college career—and to get away from meeting the public in the role of his idol.

To discourage the common belief that the national contest was for the express purpose of "filling Thomas A. Edison's shoes," the 17-year-old Seattle boy has told interviewers "it can't be done."

He continued that that is not what he expects to do, nor does he believe it is expected of him. He thinks the award principally is a scholarship in technical training, with the aim of adding greatly to the advance of science.

Hoping he can do what is expected of him, the youth has no fear of making the attempt, no fear of the result. Huston is not boastful, but is thoroughly confident in his ability and in the training he will get.

Since his earliest thoughts of college, Wilbur has had a desire to attend the Massachusetts Institute of Technology. It was in his first years of high school work that he upset his predestinators, who had outlined

for his a classical career, that he might follow in his father's footsteps. His father is the Rt. Rev. Arthur Huston, bishop of the diocese of Olympia.

Although the young man's education will be principally scientific, he has not definitely decided upon the exact phase.

And what he will do when he finishes college is another unsolved question for Huston. He said he is not obligated to work for the Edison company, nor is the Edison company obligated to employ him.

When Huston arrives at Cambridge, Mass., he automatically will become one of a group of nearly 3,000 young men who have set their eyes on goals of high attainment in various branches of engineering—the student body of M. I. T.

Aside from his purely technical studies, young Huston will find many opportunities for cultural development seldom found in an engineering college.

Students are encouraged to participate in campus activities. If he is interested in writing, Huston will find much to interest him in the undergraduate newspaper and humorous and technical publications.

Where Huston will live at the school has not been made known. While freshman dormitories are maintained and students are encouraged to make their home there, it is probable Huston may be pledged to one of the fraternities.

Huston's progress doubtless will be interesting to the faculty, because of the unusual type of scholarship he has won, but the treatment accorded him will be the same in every respect as that given the thousands of other students.

Holmes, district attorney at Borger, was announced today by the Texas County and District Attorneys Association. William McCraw, district attorney of Dallas County, is president of the organization.

**COYOTE CAPTURED IN
CAVNESS CHICKEN YARD**

Vernon in spite of city ways still remains in the list of wild west towns in the opinion of at least one coyote. Coyotes still prowl about the streets after poultry, as they did in early days, according to a report from W. E. Cavnish of Wood Street.

Thursday night, Mr. Cavnish found where some animal had scaled a high picket fence and had killed and eaten a fine pullet. Friday night, the owner of the hen decided to set a trap and see what the result would be. At an early hour this morning, he heard a commotion in the chicken yard and found a coyote snarling in the trap. A pen has been built for the intruder and he has been presented with a nice meal of beef bones, which he haughtily refuses.

Misses Minerva Price Rhoads, Frances Murchison, Katherine Pizg, and Virginia Sewell leave Sunday for Denton, where they will enter their second year at the College of Industrial Arts.

COUPLE CHARGED WITH FORT WORTH STABBING

Fort Worth, Texas, Sept. 14.—(P)—Joe Garza and Ralph Rodriguez have been charged with murder in the mysterious stabbing here last week of Lawrence Moser.

Moser told police he was stabbed when he stopped a car in which his two sisters-in-law and two men were riding. He said he knew who attacked him, but refused to tell.

Mrs. Moser explained today she and her husband had been separated several times and that they had met and talked on the afternoon of the stabbing. Moser saw one of Mrs. Moser's sisters pass in an automobile and remarked that he supposed his wife would be going out with her sister. Mrs. Moser told officers she replied she would if he went out with other women.

Moser then entered his car, followed the other car and drove it to the curb. He was stabbed in an altercation which followed.

LABOR PARTY MOVE VOTED DOWN BY PRINTERS' UNION

Seattle, Sept. 14.—(P)—A resolution interpreted by some delegates as a move toward organization of a labor party was voted down decisively yesterday at the convention of the International Typo-Graphical Union here.

The resolution urged members of the organization to "sever all affiliations with all political parties which are constantly encroaching on the rights of the working people."

Coming in Film

Norma Shearer steps into the great dramatic role created by Ann Harding in "The Trial of Mary Dugan." Bayard Veiller's all-talking special which comes Sunday to the Vernon Theater as a 100 per cent dialogue feature.

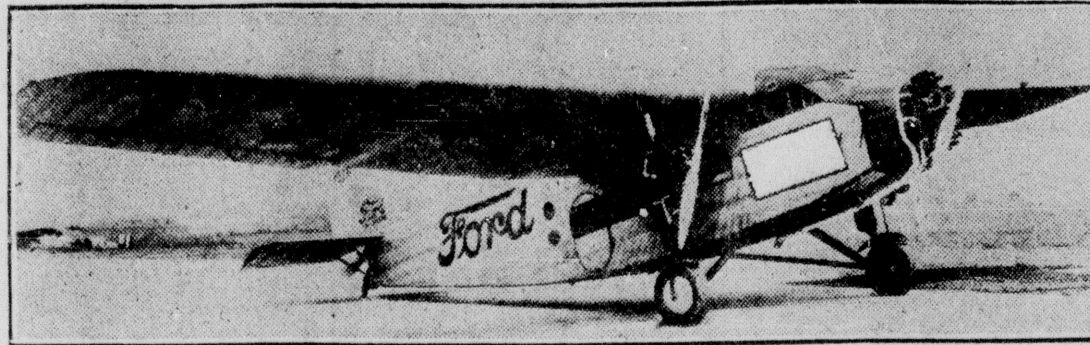

The transcription into a dialogue of the famous Bayard Veiller murder drama marks Miss Shearer's entrance into the talkie field as well as her debut in parts of declass nature.

In assigning Miss Shearer to the sordid role of the woman on trial for her life, M-G-M executives ended a discussion of months' duration as to the advisability of permitting her to make the radical change in her screen characterizations. With Veiller in support, however, Miss Shearer obtained the part.

"The Trial of Mary Dugan" made its first appearance in New York in 1927 with Miss Harding in the leading role. She continued in the part until the show reached Los Angeles. At present fourteen road companies are presenting the great dramatic play in foreign countries and road companies are still touring the United States with it. Veiller, author-producer of the play, personally directed the screening.

ANDERSON'S QUALITY MERCHANDISE AT LOWER PRICES

Humming Bird Full Fashioned Hosiery

FINEST Japanese silk—spun into fabric sheer as gossamer—colored with the gold of sunshine, the silver of moonbeams, the tints of varied summertime complexions—tailored into snug-fitting, smooth-clinging hosiery whose trim tailored heels (concave-pointed or narrow French, as you prefer) add beauty to shapely ankles—whose run-stop-hem line and hidden reinforcements assure months of wear, lustre still brilliant after many washings. Humming Bird is fine hosiery—at a price that will delight you! Come see our complete assortment today.
